

Heads Up!

A message from Clark County government about a project in your neighborhood

April 2004

NE 10th Avenue, NE Carty Road to NE 259th Street (Ridgefield City Limits)

W**hat** Northeast 10th Avenue will be widened between NE Carty Road and NE 259th Street. The existing road will be expanded to two travel lanes with shoulders. The project also includes drainage and environmental improvements.

W**here** The project completes earlier improvements on NE 10th Avenue north of NE 179th Street. This phase of the project will start just north of Carty Road and end at the Ridgefield city limits.

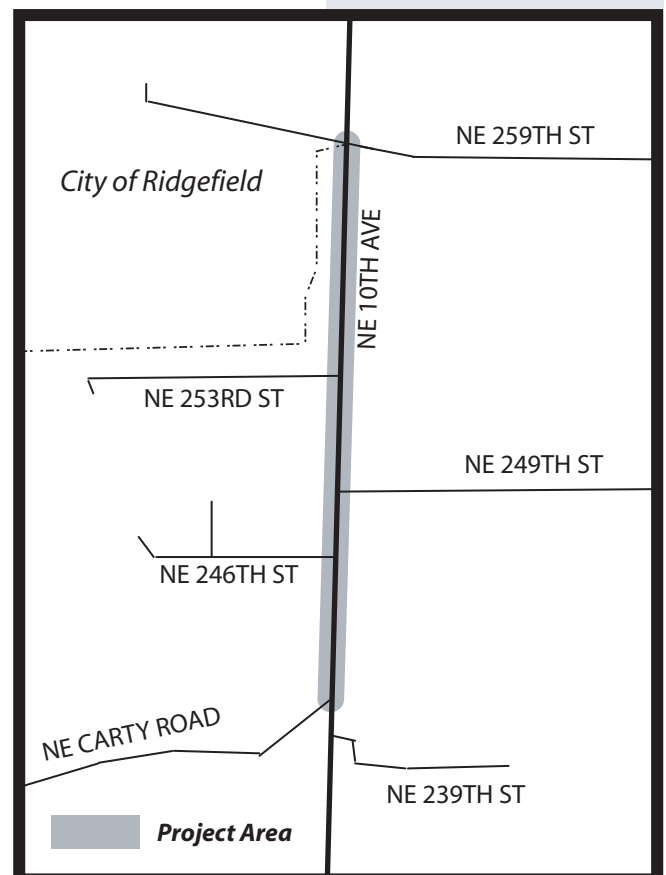

W**hy** Completion of the NE 10th Avenue project will improve traffic safety by adding the road shoulders and improving visibility.

W**hen** Construction is scheduled to begin in May of this year. The project will be completed in fall 2004. The road will be open to local traffic only.

What's Next

Road detour signs will be posted. Please watch for future notices in area newspapers, and expect to receive more information about access to your property from the general contractor.

W**ho** Clark County is the lead agency for construction of these improvements.
